Quiet Clothes For Quiet People.

About the time a man gets out of his twenties he feels like toning his dress down—colors not quite so vehement—style a little less extreme.

The clothes of quiet elegance are here in styles and patterns to please the discerning. Some summer suits are \$10.00—others any price to \$25.00.

The only thing we have to say against high-priced tailor-made clothes is that they cost much more than ours without being any better.

Grips and Suit Cases like ours add to the pleasure of going away—\$1.25 to \$20.00.

## WARD BEATEN BY WELSH CHAMPION

Downfall of American Tennis Leader Carries Much Joy to British Camp.

SMITH WAS IN GREAT FORM

Game Was Probably Fastest Ever Seen in England—Other Results.

(By Associated Press.)  
LONDON, June 26.—The defeat of Holcombe Ward, the American national tennis champion and the winner last week of the championship of the city of London, in the first round of the all-England tournament at Wimbledon to-day, brought much joy to the British camp. The contest, in which S. H. Smith, the Welsh champion, was victorious, was probably the fastest ever seen in England. Ward was not quite up to his last week's form, attributable perhaps to the stiff work of the last two days, but it is conceded that Smith never played a better game.  
W. A. Larned, B. C. Wright, and W. J. Clothier (Americans), all won in the second round, Larned especially showing good form, but in no case did the opponents call for particular attention.

GREENSBORO, N. C., June 26.—The game to-day was a slug-fest match. Danville won from Greensboro by a score of 14 to 8. Troy's sensational catch at center field fence of Wilson's long drive, with the bases full, was spectacular and remarkable. The game was called in the eighth inning on account of rain.

To reach Syracuse in time for the ceremony, he swam a mile to Grindstone Island, where he procured a boat and arrived at Clayton in time to catch his train.

POLICE BOARD.

May Decide To-night to Re-establish Three Stationhouses.  
The proposition of re-establishing three police districts will come before the Police Board at the session to-night. The action of the commissioners will be watched with interest. There is a great deal of sentiment in favor of the re-establishment of a district where the inspectors' office is now located. The station house is considered one of the best of the three, yet there are no prisoners confined there, all that are arrested being sent to what is now known as the second station, but which was formerly known as the third station. Another matter to come before the board will be the charges made by Councilman Lynch that the force was not as capable as it should be.
